

ZOOM TIPS

1) Be ready! Connect to your class 5 minutes before the start time... please be on time!

2) When joining a ZOOM studio, when asked always 'connect to internet audio' and 'join with video'.

3) Set up your device so your teacher can see you from head to toe.

3) Make sure your device is charged.

4) Change your zoom display name to your dancers name. This helps for quick access.

5) Pin the teachers video so you can always see the teacher.

6) Keep your camera ON, we can't teach you if we can't see you.

7) Report technical problems. If you have trouble contact us via webchat www.mda.dance email info@mosmandanceacademy.com.au or call us on 99681121
